Dear Greenview Middle School Students and Families,

I hope that this message finds each of you safe and healthy! As previously communicated from Dr. Reid, all students will start the first nine weeks of school with remote learning. Our administrative team, along with our teachers, are excited about the remote learning schedule that we have created for our students. Patience and flexibility are key for our students, families and staff as we get ready to begin the upcoming school year. It will take a collaborative partnership as we embark on this new way of teaching and learning, but we feel very confident that we can overcome any challenges that we face together.

Student Daily Schedule and Teacher Office Hours:

The start of the school year for all students will begin September 8, 2020. The school day for Greenview Middle School students will be **8:30AM – 2:25PM**, with **daily lunch scheduled from 11:00AM – 12:00PM**. It is expected that students log back into their Period 5 class promptly at 12:00PM. The method of instructional delivery will be a blend of Google Meets and Schoology. More information will be coming from the district on how to access Schoology.

5th and 6th Grade Remote Learning Schedule
Office Hours: 8:05 – 8:30AM
Period 1: 8:30 – 9:15AM (beginning of day for all students)
Period 2: 9:20 – 10:05AM
Period 3: 10:10 – 10:55AM
Period 4: LUNCH: 11:00 – 12:00PM
Period 5: 12:00 - 12:45PM
Period 6: 12:50 – 1:35PM
Period 7: 1:40 – 2:25PM (end of day for all students)
Teacher Office Hours: 2:25 – 3:15PM

ARC Wednesday:

Students will not be logging in to each period on Wednesdays. There will be no new instruction, but rather this would be an opportunity for teachers to provide strategic support, intervention and enrichment for small groups of students. This will also be a day where parents could schedule a meeting with individual teachers or a teacher team. Students may use this day to complete assignments and make sure they are on track. For students on a 504 plan or those who have an IEP, the intervention specialists will be available to support these students with their individual learning goals as well as conduct meetings as needed or requested.

Google Classroom and Schoology:

During the upcoming nine weeks, instruction for students will be provided primarily through Google Meet and Schoology (Directs you to the parent support page). Please be on the lookout for additional information regarding both of these remote learning platforms.

"Grab & Go" Breakfast/Lunch Service

We would like to ascertain an approximate number of families who will be utilizing our "Grab & Go" Breakfast/Lunch service throughout the daily scheduled lunch time. Please be assured that it is the district's goal to make this process as convenient as possible for all of our families. Meal pickup times for all locations will be from 11:00 am until 12:00 pm beginning 9/8/20. Please fill out a survey for each child in your home who will receive a meal. For example, having two students in your home means that you should fill out the survey twice.
