

Snow Day – How the decision is made?

SCHOOL CLOSINGS AND DELAYS

The winter season is upon us. Our district administration, faculty, and staff understand that our decision to open or close schools during inclement weather has a big effect on families. We also understand that our students are better served – both academically and socially – by being in school. However, our top priority is the safety of our students.

HOW DO WE MAKE OUR DECISION?

Please understand that we make the decision to open or close the schools in bad weather based on a careful analysis of all relevant factors, such as:

- Information on road conditions from transportation staff and from local law enforcement and road crews. We must give careful consideration to the most dangerous roads in the district; they can be treacherous even if your street looks clear.
- Amount of snow and ice accumulated
- Whether precipitation will continue throughout the day
- Temperature and wind chills at or below -15F
- Weather predictions (including those from a weather alert service)
- Storm Timing
- Building conditions (such as whether they have electricity and heat)
- Parking lot conditions

WHO MAKES THE DECISION?

As Superintendent of Schools, I am ultimately responsible for the final decision based on the above factors and recommendations from the Director of Business Operations & Services.

WHEN IS THE DECISION MADE?

We strive to make the decision to close by 5:45 a.m. or earlier so we can notify radio and TV stations. Keep in mind that unusual weather conditions may force us to make the decision after this time. Please stay tuned to the media and communication outlets.

WILL WE CLOSE SCHOOL IF CONDITIONS WORSEN?

Even if the weather conditions worsen, we cannot reverse our decision in the morning without endangering students. Once we make the decision to open the schools, many parents rely on it and leave for work. If we then send students right back home, many will return to unsupervised bus stops and empty houses. If conditions get worse during the school day, we may need to have an early dismissal and will give as much notice as possible to parents.

Although my staff and I do our absolute best in this process, we know that often no perfect decision exists. If you do not feel that it is safe for your child to get to school, use your best

judgment whether or not he or she should attend. If you choose to keep your child at home, his/her absence will be counted as an excused absence. Also, please discourage teenagers from driving in bad conditions and offer them alternatives as weather conditions worsen.

HOW IS THE PUBLIC NOTIFIED?

The South Euclid – Lyndhurst website will post the closing immediately at www.sel.k12.oh.us. If you have entered your phone number into our reverse 911 system, you will receive an automated phone call to the number you have listed. In addition, if you have provided your e-mail address, you will receive an e-mail, as well.

OR

Tune to TV channels NBC, ABC, WUAB, CBS, FOX for up-to-date information on school closings. In addition, Channel 22 (Time Warner) and Channel 99 (U-Verse) will have up-to-date information on school closings, as well.

Do not call the school or bus garage unless it is an emergency.

HOW MANY DAYS CAN WE TAKE?

School districts receive up to five calamity days per school year. Schools will be required to make-up any days over the allotted five days set by the State Department of Education. If needed, those days will be added to the end of the school year.

We hope that this explanation helps everyone understand the process we use in making the safest possible decision for all students and staff in our district.

Linda N. Reid, Superintendent of Schools
