Dear Parents,

With the third grading period ending on March 9th, 2018 it is crucial that students continue to monitor their academics and understand the importance of 'Accountability' as we hit the home stretch. There are many field trips, parent information nights, and student performances on the schedule for the final three months of school. Please review the district and school calendar, and contact the office with any questions.

Go Arcs!
Mr. Kaple

FOUNDERS DAY

Our very own Dominick Kaple & Jen Heitman from MJH and MJH Community representative Scott Pugh, were selected by our Community and PTA Committee. MJH could not have picked better people to represent Memorial. All are very involved at the school from clubs, sports, organizing, promoting and even throwing random parties. Whatever the task, all are always on hand and ready to pitch in. We THANK YOU so much for all that you do for our students and staff at Memorial! We would also like to thank our 8th grade Memorial National Junior Honor Society for helping out at Founder's Day and catering the event.

THANK YOU!

Memorial Junior High School Administration and Staff would like to thank Mr. Shook and all students that performed in the Band Concert on February 27, 2018. We were absolutely blown away by the performing arts ceremony. The music performed from around the world was not only moving but motivating. Great job and keep up the good work!

BLACK HISTORY MONTH ASSEMBLY

In efforts to honor Black history and cultural diversity, several MJH staff members joined forces to produce an uplifting and enlightening event.

Students were asked to complete an optional "Culture and Heritage" project. 25 students who submitted projects were then chosen to participate in a "Multi-cultural Luncheon" on Friday, February 23rd.

Many Staff members contributed by bringing in dishes representative of their culture. Dishes included: empanadas' (Puerto Rican meat pies), greens, chicken biryani, Italian wedding soup and several other dishes.

The students were given the opportunity to sample various food items. The luncheon was well attended, and student feedback was extremely positive!

During the program, many students were given the opportunity to showcase their talents through song, dance, and step. "Lift Every Voice and Sing" and "Ballad of Birmingham" were some of the choices. We heard the familial stories of generations traced back to slavery. The boys and girls Mac Ambassadors presented reasons why their life matters and highlighted African American leaders throughout history to present day. The day ended with an interpretation of Greek stepping representative of many fraternities and sororities and was enjoyed by all!
