Meeting was called to order at 7:05pm.

Minutes (Joan Farmer): Minutes from the November 2012 meeting were accepted.

Treasurer (Kevin Gilmour): We have \$91,071 in the checking account. There will be additional revenue from Market Day pie sales and mattress fundraiser.

Director (Kaylee Flynt): The Winter Concert is December 18. Symphonic Band reports at 6:00pm; Wind Ensemble at 6:15pm. There will be two 0 period rehearsals for the Jazz Band. She outlined appropriate concert attire. She's working on a trip to Chicago for the Jazz Band in the spring. The 5x7 photos of the seniors are in and she's looking for people to put the gift together.

President (David Frey): Dave wanted to confirm that everyone received his email regarding the band banquet prices and assumed that everyone was ok with his decision since he received no feedback.

Uniforms (Elizabeth Heston): The orientation for 8th grade (new band members) will, hopefully, be scheduled prior to winter break. Elizabeth indicated that Patrick Farmer offered to prepare a PowerPoint for the orientation.

Chaperones (Scott Karn): The next event will be the contest scheduled for March 8 or 9.

Website (Alex Heston): 55 hits since the last meeting, bringing total hits to 994.

Fundraiser: Yankee candle fundraiser will be delivered prior to winter break.

Old Business: We will be funding a percussion instructor starting next semester. Dollar amount is yet unknown. The total cost of the band banquet was \$2655. We had 79 students and 68 guests. The Boosters subsidized \$483. Anne Frey will start to look at venue options for next year. She'd like to have it scheduled by May 2013.

New Business: Solo & Ensemble is February 16. Kaylee will put together a percussion ensemble with the Wind Ensemble percussionists.
