

Band Boosters
Band Room, Brush High School
April 8, 2014

Meeting was called to order at 7:00pm.

Minutes (Joan Farmer): Minutes from the March 2014 meeting were accepted.

Treasurer (Kevin Gilmour): We have approximately \$55,000 in all accounts. This includes funds in the investment account. We've paid for approximately ½ of the new uniforms (\$35,000).

Director (Brad Allen)

The next band concert is May 6. Kaylee will request a check for the band camp deposit. Solo & Ensemble at Memorial went well.

President (David Frey): We will have \$3800-\$4200 coming in from the Brown & Gold event. He has reapplied for the Legacy Grant and will reach out to Motter's once again for their contribution to the uniform fund. He is working on Band Camp chaperones.

Uniforms (Elizabeth Heston): She expressed some concern over where the new uniforms will be delivered; wants to ensure that they will be locked up when they arrive.

Chaperones (Scott Karn): Next event will be Memorial Day Parade.

Website (Alex Heston): 68 hits last month.

Fundraising (Rhonda Pierce): The mulch fundraiser will not occur. We made \$45 from the Tropical Smoothie fundraiser. April 28 will be a Chipotle fundraiser. Additional fundraising suggestions were discussed.

Arcettes (Laurie Manahan): They are recruiting for next year. 8-10 Memorial students have attended their clinics. She showed a rendering of their new uniforms and will place the order by May 1. Boosters will commit to 20 uniforms @ \$150, for a total of \$3000. The balance of the uniform costs (approx. \$2000) will be the responsibility of the Arcettes.
