

Where I'm From

I am from the comfortable place in my bed.

I am from Shaun and Monica Woods.

I am from "clean your room Isley."

I am from the love of baseball.

I am from the favorite TV show Teen Titans Go!

I am from the park five minutes away from me.

I am from the coach that calls me Iron Man.

I am from the team that awarded me M.V.P

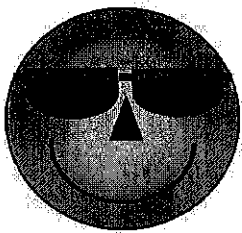

I am from the place that always snows in winter.

I am from the good smell of dinner.

That is where I'm from!

Isley Woods!

Shadow,

You do everything like me

I work hard in school

You do the same

Shadow

You do everything like me

Except when I was playing ball

You looked so lame!
