Subject: A Message from the Superintendent-Update 10/23/2020
Date: Friday, October 23, 2020 1:02:50 PM

Dear SEL Parents and Guardians,

On Tuesday, October 20th at our Board of Education Meeting, my superintendent's report included a presentation and discussion regarding the second quarter of school. If you were unable to attend, you can watch the recorded discussion through the following link:

<https://www.youtube.com/watch?v=uB7V7-Mz6jY&feature=youtu.be>

As of this writing, Cuyahoga County continues to remain at a Red (Level 3) and is very likely to remain at a Level 3 or potentially higher. I think we all know that this pandemic is here to stay for a while, and we have the responsibility to educate our children through this pandemic. Our students have been out of the classroom for some time. We have students who need and want to come back to our school buildings where we can better meet their needs. We continue to plan for their safe return through the implementation of our "Responsible Restart" health and safety protocols for students and staff. Your child's principal will be sending a series of communications in the upcoming weeks with important details regarding second quarter plans for students and families; the first will be emailed today as well as sent by USPS mail.

I will continue to monitor Cuyahoga County's COVID-19 data, as well as local school districts' data on COVID-19 positive cases. My next update will be next Friday, October 30th.

Stay well,

Dr. Linda N. Reid

Superintendent

South Euclid Lyndhurst City Schools
