ADRIAN RECEIVES 5000 BOOKS FOR STUDENTS

This holiday season each Adrian student will receive a gift of books to take home thanks to the hard work and dedication of Ms. Cathy Stang, Learning Resource Teacher at Adrian Elementary School, and Ms. Katie Niersbach, Operations Manager at First National Book Bank. In October, Ms. Niersbach selected Adrian School to receive a direct grant from Disney Corporation. Not only would this grant supply Adrian students with free books to take home, but the grant also covered the cost of shipping.

On Tuesday, December 15, UPS freight delivered three skids with 5,000 books from First Book to Adrian school. Book titles ranged from activity and coloring books to short stories. Students from all grade levels anticipated the arrival of the books and many volunteered to assist Ms. Stang in unpacking and neatly organizing the books and also preparing them for distribution. Ms. Stang will begin to present books to eager students on Wednesday, December 16.

Adrian's students, staff and school community would like to thank Disney Corporation and First National Book for selecting Adrian School to receive the Disney Grant and for allowing each student to start, or add to, their very own home library! Happy Reading!

Happy Holidays

Special Thanks and Acknowledgment to Mayfield United Methodist Church and the Legacy Village Grant Committee for providing funds over the past three years that has allowed for the purchase of books for our students to take home.
