

Annual Influenza Vaccine Preschool Requirement

Dear Parents/Guardians,

The Ohio Department of Health has revised the school immunization requirement for preschool students to include an annual influenza vaccine.

- If your child has received the influenza vaccine, please provide the date the vaccine was administered below.
- If you are declining to have your child receive the influenza vaccine, please indicate below.
- If your child will be receiving the influenza vaccine in the near future, please contact the school nurse at 216-691-2265 once your child's influenza vaccine is complete

Student Name:

Date of Birth:

Please check one of the following boxes and return this form to your child's classroom teacher.

- My child received the influenza vaccine on: _____
- I have declined to have my child immunized against Influenza this school year.
- I will be contacting the school nurse at 216-691-2265 as soon as my child's influenza vaccine is complete.
