Dear Parents,

What a great start to the 2021-2022 school year. We have been busy here at MJH. Students have been showing great responsibility with their Chromebooks. Students have started their I-ready assessments and are diving into our curriculum with their content teachers. Students have also been showing large interest in many extra-curricular opportunities that we offer and have carried themselves with pride.

With the start of the school year now in full motion, I highly recommend that you monitor your child's ProgressBook and Schoology online. In ProgressBook you can see grades, attendance, and notes from his/her instructors. We strongly believe that students need to be accountable for their grades and this tool allows our students (and families) to stay on top of their academics and continue to grow as young adults.

Please feel free to contact the office with any questions.

GO ARCS!

Sincerely,  
Mr. Bryan

## ATTENDANCE

## SPORTS CORNER

Sports are back at MJH and this year they are better than ever!!

Fall sports are off to a great start this school year. We have several new coaches who joined the MJH team. This year we strongly suggest that your child tryout for sports offered at Memorial, there is no Pay to Participate fee. All you need to play is five passing grades; a physical form completed by your doctor, and be signed up in final forms. To get the final forms or physical form, please log onto the South Euclid Lyndhurst City School District, select our school, select "Athletics" on the right hand side and then click "Athletic Forms".

If you have any questions or concerns, please feel free to contact our athletic director JC Commander at [Commander@sel.k12.oh.us](mailto:Commander@sel.k12.oh.us) or 216-691-2100.
