Hello Memorial families!!

It was nice to see such a wonderful turn out for Open House! We appreciate your support! Our first full week of school together with students was great last week! As the admin team walked the halls and visited every classroom, we observed smiles, learning and even laughter. Students were involved in getting to know you activities for the first few days of school as teachers were establishing their daily routines with them.

Water is permitted in the classrooms so please remind your child to bring water bottles every day. We do have water stations when they need refilled. Students are expected to bring their Chromebooks charged daily to school. Loaners are no longer available in the Media Center. Please be on the lookout for an upcoming chance to purchase chromebook insurance. We highly recommend this for our students as it will cover anything regarding your child's chromebook for the 2023-2024 school year.

Lastly, please be sure you have created an Infinite Campus Parent Portal Account. You can either log into your account from a web browser or download the Campus Parent app from your App Store. As a tip, if you need to search for the District Name when creating an account, type South Euclid Lyndhurst in Ohio to locate our district. If you need assistance with a password reset or obtaining your individual key to create an account, please contact the main office. Student schedules/teacher assignments, lockers, and transportation information will eventually be published to the portal. The Parent Portal is where you will be able to access student grades and report cards, track attendance, pay fees, manage lunch account balances, and complete the Annual Census Review.

Please feel free to contact the office with any questions. GO ARCS!

## SPORTS CORNER

Sports are back at MJH and this year they are better than ever!!

Fall sports are off to a great start this school year. We have several new coaches who joined the MJH team. This year we strongly suggest that your child tryout for sports offered at Memorial. There is no Pay to Participate fee. All you need to play is five passing grades, a physical form completed by your doctor, and be signed up in final forms. To get the final forms or physical form, please log onto the South Euclid Lyndhurst City School District website, select our school, select "Athletics" on the right-hand side and then click "Athletic Forms."

If you have any questions or concerns, please feel free to contact our athletic director Jerome Jackson at [jacksonj@sel.k12.oh.us](mailto:jacksonj@sel.k12.oh.us) or 216-691-2100.
