

Dear South Euclid Lyndhurst Community,

Thank you to those of you for joining us last night to hear about Right at School and the opening of the 2020-2021 school year. For those of you who were not able to join the presentation, please see the attached information. SEL will also put a recording of the presentation online.

We are so excited to be joining the South Euclid Lyndhurst Community. As we discussed last night Right At School provides safe, engaging and meaningful in-school, extracurricular programs to enrich the lives of students, give parents peace of mind and enable schools to focus on their academic mission. Registration for our program opens on Thursday, July 23rd, 2020.

We have been amazed by the generosity of the local principals in the amount of space they are allowing us to use for our program so we can serve as many students as possible in the district. We would also like to thank Ms. Bussey and Ms. Thompson for their amazing partnership as we build these programs together.

Right at School has four core values. We are **Mission-Led**, **Innovation-Driven**, **Locally-Inspired**, and **Efficiency-Obsessed**. Driven by these four values, we strive to go the extra **MILE**. Attached you will find some helpful handouts from last night's presentation. We know that you may still have a lot of questions about our program, staff, safety or pricing. Please feel free to contact Erika Eskenazi at [erika.eskenazi@rightatschool.com](mailto:erika.eskenazi@rightatschool.com) or 440-665-0605.

Sincerely,

Right At School South Euclid Lyndhurst Team
