Infinite Campus App

SEL Parents and Students,

The Infinite Campus Parent and Student portals can also be easily accessed through mobile apps called **Campus Student** and **Campus Parent**.

These free mobile apps provide real-time access to grades, report cards, attendance, schedules, announcements, and other important information.

Both apps are available to download in the Google Play Store and iTunes App store. Please review the information below for helpful directions on how to access your account within the Campus Student and Campus Parent apps.
