**Parent-Teacher Conferences SAVE the DATES-** The district has decided to use a universal, digital conference scheduling system for K-12 parents called PCTFast. It is similar to Sign Up Genius. **School Pictures-** Thank you to those who were able to take school pictures at Brush. No worries if your child was unable to participate. We will share more information in the future should Sunview coordinate a day for spring pictures.

**Fire Prevention Week-** We hope you were able to view the wonderful, interactive slideshow in honor of fire prevention week last week.
