

Dear Parents/Guardians,

Welcome to the SEL Community! We are excited to meet you, and we are grateful for the opportunity to oversee your child's education. In our three elementary buildings, you will find friendly staff, respectful students, dedicated teachers, and passionate principals. One of our district's core beliefs is that "High expectations lead to high achievement." This essentially means that your child's success in school is paramount. We achieve these goals through solid instruction, safe environments, and a strong focus on social-emotional development.

We understand that at this juncture, you may have several questions about the upcoming school year. Preparations, however, are still underway regarding safety protocols, the daily schedule, class rosters, bus eligibility and dates and times of social activities that traditionally take place before the first day of school. Once those details are finalized, you will receive more information so that you and your child may make a smooth transition into the new school year.

Again, we look forward to meeting and working with you in the fall.
