## Shortened Field Day

Parents/Guardians,

Thanks to the improved health conditions, Adrian Elementary is happy to announce that we will go outside for a few Field Day activities for our students! Physical Education teacher, Mr. Newman, has carefully constructed activities that are safe for our students to enjoy some much needed outdoor fun and exercise. Each grade will go outside on a different day from 9:30 – 10:50 a.m. and take part in six stations. Students will also get their lunch from the cafeteria and eat outside – picnic style – on their scheduled Field Day date. Grade level Field Days will occur:

Kindergarten – Tuesday, June 1

First Grade – Thursday, June 3

Second Grade – Friday, June 4

Third Grade – Monday, June 7

The stations include:

1. Hula hoops – Jumping for distance with music
2. Water relays
3. Chinese jump rope and long jump ropes
4. Relay races
5. Witches and Wizards – Freeze tag
6. Playground time.

Unfortunately, we will not be able to host parents/guardians or volunteers to help us with our fantastic Field Day activities as we have in years past. I am hoping that next year, we can return to normal and have a full-day of activities for all of our students, parents/guardians and volunteers.

Please make sure that your child wears tennis shoes, a hat, brings a water bottle, and sun screen on the day of their Field Day. If you have any questions, please call the Adrian office at 216-691-2170. Thank you.

Mr. Lasky
