Parents,

The Kindergarten Readiness Assessment (KRA) is an assessment tool designed to measure school readiness of incoming Kindergarten students. Please sign up for a time from the schedule above. For the safety of everyone involved, Adrian teachers will give the testing outside the Kindergarten doors and parents can observe from their cars. The testing should take 30 minutes to complete. If you have any questions, please call me at 216-691-2170. Thank you.

Mr. Lasky
Adrian Principal
