**Subject:** Star Reading Proficiency Test

May 10, 2021

Dear Adrian Third Grade Parent/Guardian:

The purpose of this letter is to inform you that some third grade students, who did not pass the AIR reading test in the fall, will be taking a STAR 3rd Grade Proficiency Test tomorrow. We will proctor the STAR exam to obtain another data point in the area of reading. The test will be administered in school and online. The score will be used as a measure of your child's readiness for fourth grade.

Students who do not pass this STAR Proficiency will then be given another opportunity to take the Terra Nova 3. The Terra Nova 3 is a State approved alternative reading assessment.

Please note, the performance on either of these tests are only TWO variables when considering grade promotion. Other variables include performance in additional academic areas, attendance, class assignments, and overall grades. If you have any questions, please do not hesitate to contact me at (216) 691-2170.

Respectfully yours,

Mr. Ken Lasky, Principal

Adrian Elementary School
