Parents,

The STAR testing window in early literacy (Kindergarten & first grade), reading and math for grades 1-3 is Dec. 7 – 18. Teachers will be reaching out to your students and scheduling them for these two important tests. Please remember:

1. Make sure students have a good night sleep the night before they take their tests.
2. Make sure students have a calm and quiet environment in which to work.
3. Make sure students have a good breakfast the day of their tests.
4. Please withhold assistance so it is a true snapshot of what the student knows at this time. Teachers help students with where they are and what they need to know at their grade level. Please let the students do their own work.

Please call the Adrian office at 216-691-2170 if you have any questions. Thank you.

Mr. Lasky
