***A special health talk for parents***

**Kids, COVID and the Return to School Sports: Best practices to support safety | A Live Webinar**

Join UH Rainbow Babies & Children's experts Drs. Claudia Hoyen, Walter Hoyt and Robert Flannery from the UH Sports Medicine Institute, for an informative talk on the best practices for a healthy return to school sports this fall.

**When:** Thursday, September 23, 2020, 12 noon -- 1 p.m.

**How:** [Registration](#) is required to access the live webinar on September 23. After registering, you will receive an email with information about how to join the webinar. A reminder email will be sent one hour prior to the webinar with a link and dial-in options for joining. You may submit questions for the panelists during the webcast through the Q&A tool.

**Topics covered will include:**

- Overview of the [American Academy of Pediatrics return to sports guidance](#)
- Best practices for youth sports amid the pandemic
- Heart health implications for student athletes
- Q&A discussion

**To register** [click here](#).

**PLEASE NOTE:** If you register and are unable to attend, the webinar will be recorded and shared with you afterward.

For any questions about the event or your participation, email [Tia.Trivison@UHhospitals.org](mailto:Tia.Trivison@UHhospitals.org).

*The information shared in this webinar is based on current evidence and best information at the time of presentation. Parents should remain connected to updates from the CDC, ODH and local healthcare providers to reflect changes in knowledge about the impact of COVID 19 on children and adolescents.*
