Good afternoon Greenview Intermediate Families,
Tomorrow begins our second quarter of the school year. It is incredible to think that we have gotten to this point so quickly. We are working through a new era of education, and I am committed to collaborating with you to provide your child with opportunities to learn in the safest environment possible.

On Friday and Saturday, you all should have received an email from me that detailed how your student would be starting the second quarter. The decisions that went into sending each letter were based on the information the district has collected from you so far this school year:

- The July Declaration - which was a commitment for the first semester of school
- The reaffirmation email that went out where families were to confirm or adjust their July Declaration
- Recommendations and requests from parents and teachers
- Date and Time the COVID Emergency Response Form was returned to the office.
- Space available in the classroom to ensure the 6ft of social distancing for your child

If you believe you received the wrong letter, please schedule a meeting with me using the web address listed below. Follow the letter you received until we meet and work together to resolve the situation.

Do not bring or send your student to Greenview if you did not receive the school-based letter. The only students who will be permitted into the building are those who received the school-based letter.
