Superintendent of Schools

**Megan Young**  
Principal

August 9, 2021

Dear Parents/Guardians,

We are so excited to welcome our students back to the 2021-2022 school year. The last 18 months have definitely been different, but we are looking forward to getting back to a normal routine and having all of our students back in the building in front of their teachers. Here is some important information that our parents/guardians need to know.

- **The student day begins at 7:15am.** For car rides/walkers, students need to be at the overhang entrance at 7:00am. Please do not allow your child to exit your vehicle before 7:00am. The overhang doors will close at 7:20am.
- Breakfast and lunch will continue to be FREE for the 2021-2022 school year.
  - Students can grab breakfast at 7:15am when they walk in the doors. Students will not be permitted to eat a school breakfast in the classroom after 7:30am. It is very important for all students to be at school at 7:15am.
  - The expectation is that students eat the school provided breakfast and not bring outside food into our building. Students are permitted to bring their own lunch which will remain in their locker until lunchtime.
  - Tardy students will not be permitted to take breakfast to their classroom.
  - At 7:15am, our teachers will begin their Conscious Discipline morning meetings with their homeroom students. This is a very important time of the day!
- At Greenview Middle School, students will rotate through 5 core subjects (ELA, Math, Writing, Science & Social Studies). They will have one Encore period per day (PE, STEM, Music, Art, Career Connections). Students will have recess daily. Please make sure students dress appropriately based on the weather forecast.
- Regardless of your vaccination status, we will open the school year **strongly recommending** the wearing of masks indoors. This decision is aligned with state and local health agencies' recommendations as an effective prevention strategy. As new information becomes available and/or local mandates change, the decision to mandate face masks may be implemented indoors. At this time wearing face masks outdoors is optional.
- Student dismissal will be at 2:25pm.
- Back-to-School Night will be Tuesday, August 17 from 5:30-7:30pm at Greenview. We hope to see you all there!

As always, if you have any questions, please feel free to email me at [youngm@sel.k12.oh.us](mailto:youngm@sel.k12.oh.us). We are eager to welcome back your child on August 19, 2021 and look forward to a successful school year.

Megan Young, Principal
