Good afternoon

On Monday, October 12th, we will have Lifetouch here at Brush to take school portraits for all of our students. By this time all parents should have received an email from Lifetouch with information for purchasing school portraits.

Details for Monday's School Portraits:

- Lifetouch Photographers will be on campus from 9 am - 5 pm (BHS portraits will take place in the new cafeteria)
- 9th & 12th grade students are scheduled for portraits from 9 am-12:30 pm
- 10th & 11th grade students are scheduled for portraits from 1 pm- 5 pm
- Students will arrive to Brush off Farnhurst and enter the cafeteria doors where photos will take place
- Parents if you plan to wait while your child has their portrait taken, please remember to follow the No Parking or No Standing Ordinance in Lyndhurst
- Please make sure students have masks with them when walking on campus/entering the building
- BHS Staff members will complete temperature/symptom checks for students entering the cafeteria
- There will be hand sanitizer stations in the cafeteria
- Students will be reminded to stay socially distant from others
- Portraits can be ordered online

Portraits taken Monday will be used in our BHS Yearbook. It is important for students to have their portraits taken, for school memories, yearbook, and school records. We are asking 12th grade students to make sure their portraits are taken, as these photos will be used for yearbook, and commencement program.

Finally, there will be a make-up portrait date scheduled for those students who do not attend Monday's date, or should they not like the final product. If you have questions, please contact my office.

Have a GREAT weekend!

Mr. Williamson
