Greetings MJHS Families,

I hope you all had a wonderful Thanksgiving full of fun, food, laughter, and gratefulness. It is hard to believe that winter break will be here shortly and the first semester will soon end. I encourage you to frequently check your child's grades and reach out to teachers regarding any concerns you may have. It is important that students arrive daily on time to school and come prepared to learn with homework completed, chrome books fully charged and a good night's rest. Students are permitted to only have water in classes and should come with water daily. For those parents who drop off in the morning (on Professor Road), please do not block the buses. Please remember that we are here to reach, teach and motivate your son/daughter to be the very best they can be. We need your help and support in order to accomplish this. Please remember the importance of your child attending school daily and on time. In the event your child is absent, please be sure to contact the attendance office at 216-691-2231.

High Expectations Lead to High Achievement.

Sincerely,

Go Arcs!

Dr. Fuller

READING IS FUNDAMENTAL BOOK FAIR

This year, Memorial hosted a Reading is Fundamental (RIF) book fair. Every Memorial student had the opportunity to select 3 books for free and a free bookbag to take home. The book fair took place the last week of November, and students were able to attend the book fair with their English classes. Also, this year, the SEL district is having an Arcs Read Challenge. The challenge will run throughout the school year and end April 26th, 2024. All students in grades K-12 have received a gameboard. They complete the reading tasks and receive a sticker to put on each task. When their entire gameboard is complete, they can exchange it in the school library for a coupon for a free small Detroit style pizza with one topping from Jet's Pizza in Lyndhurst. For more information on this fun event please email our librarian Mrs. Hubler at hubler@sel.k12.oh.us.

SPORT UPDATES

Congratulations to the 7th and 8th grade Boys Basketball teams who are both off to a great start this season. Hats off to great coaching by Mr. Bruce and Mr. Frost. Keep up the great teamwork!

Girls Basketball and Wrestling are also in full swing. Please look out for e-mail blasts. Athletes must have a physical on file and Final Forms completed. Please contact our athletic director, Mr. Jackson, at jacksonj@sel.k12.oh.us with any questions at 216-691-2100.
