Dear MJHS Families,

Welcome to February! As we celebrate the contributions that famous African Americans have made, our district theme is entitled, "African Americans and the Arts." We hope to see you on February 29, 2024, at our Black History Play in the Brush PAC. The third quarter will end in the third week of March. Please be sure to consistently check grades and reach out to teachers with questions or concerns. Remember your child's school counselor serves as another layer of support, if necessary. Parent teacher conferences will be held in March. More information is coming. Please remember the importance of daily attendance.

One of the district's core beliefs is that "students take ownership of their own learning." As we prepare students for success at high school, it is imperative that they come to school daily, on time, and prepared. Being prepared means having all assignments completed, chromebooks are fully charged and brought daily, and that students have studied for quizzes and tests. Chromebook loaners are only provided in instances in which a student has a broken or lost chromebook.

Please review our on-line handbook with your child. Cell phones are to be kept in locked lockers at all times of the school day. This helps with limiting any distractions during the learning process. Please also periodically check bookbags to ensure everything in the bookbag is appropriate for the school environment and that all school supplies are inside. This helps keep students organized and prepared to learn.

Students are now required to wear ID badges. All students have received one. Please encourage them to view the badge as a part of their school attire. The badges serve as another layer of safety and security. We appreciate your continued support!

IT TAKES A VILLAGE... Dr. Fuller
