MJHS Families,
It is hard to believe that we are in the month of May. This month brings several exciting opportunities for students to extend their learning beyond the classroom. Our 8th graders will travel to Washington D.C. on May 22nd -May 24th by motorcoach. Students will take their final iReady Diagnostic Assessment the week of May 13th. We will follow the same bell testing schedule that was used with both previous iReady Diagnostic Assessments.

The test will occur first thing in the morning and abbreviated class periods will follow. Please be sure that your child arrives at school on time, has breakfast and brings a fully charged chrome book. If your child has a loaner chrome book at home, please have it returned to the library as soon as possible. In the event your child is absent from school, remember to contact the attendance line at 216-691-2231. Please be sure to read all upcoming correspondence in order to avoid missing out on important end of the year information.

I want you all to know how much I have appreciated your support throughout this school year. For my 8th grade families, I wish you and your child much success as you transition to high school. For my 7th grade families, I look forward to working with you again next year. PTA, thank you for an amazing year!!!

IT TAKES A VILLAGE,
Dr. Fuller

OHIO STATE TESTING INCENTIVE

Ohio State Testing for ELA, Math and Science was completed in the month of April at Memorial Junior High School. MJH students who took accountability and showed positive effort during testing were rewarded during their lunches with fun little treats and additional treats were provided during testing in the classrooms by our very own PTA. Thank you so much for donating. The teachers, staff, and administrators are all very proud of our students for their hard work. Keep up the good work MJH Students! GO ARCS!
