I hope everyone had an enjoyable and safe spring break. With state testing about to begin, that means we are in the final stretch of the school year. It's hard to believe we are now in April; the year has flown by!

The testing schedule has been shared through Infinite Campus (along with the daily building schedule for testing days). The testing days are as follows:

- ELA: April 10 & 11 (Both Grades)
- Math: April 16 & 17 (8th Graders Only)
- Science: April 23 & 24 (8th Graders Only)
- Math: April 23 & 24 (7th Graders Only)

As a reminder, each subject's testing session is divided into two parts over the two days. Please remind your students, to charge their Chromebook, to get a good night's rest and to breakfast in the morning. On testing days, we will be running an abbreviated bell schedules. It is important for all students to be present on testing days. Please refrain from scheduling any appointments during testing dates if possible.

Students are still expected to wear their student ID's daily and adhere to all dress code expectations. We are in the midst of spring sports at Memorial! Our spring teams have been working hard preparing for their upcoming seasons. I hope that I have a chance to see you at some of our sporting events!

It takes a village!

STUDENT INCENTIVE DAY

On March 5, 2024, we held our second all school event of the school year. The Mid-Spring Fun Fest was sponsored by our very own BCC committee. To kick it off, we started with "HELLO WEEK" spirit week. The expectation was that staff and students will participated in an effort to show teamwork, unity and support. Monday – say hello to someone different - wear yellow, Tuesday – Time is always right to do the right thing - wear team color, Wednesday – Do one act of random kindness - wear green, Thursday – do the right thing - wear blue and Friday – Alone we can do so little, together we can do so much - wear Arc gear. Students gathered in the both gyms for The Student vs. Staff Handball Tournament. The teachers, staff, and administrators are all very proud of our students who worked hard and met the criteria to participate in the event. Keep up the good work MJH students!

MJH SPORTS CORNER

Though it does not feel like it, Spring Sports are currently underway at Memorial Junior High! Baseball, Softball, Track, and Tennis have been practicing over the past month as they prepare for games to begin in April. Familiar faces are back this spring; Coach Jen Heitman-Laszlo (Baseball), Coach Ashley Cloud (Softball), Coach Andrew Scherson (Boys Tennis), Coach Colleen Brennan (Girls Track) and Coach Stephen Shorts (Boys Track) all returned this spring.

Due to spring weather, it can only mean one thing, cancellations! We will try our best to communicate cancellations by 2pm the day of the event. If you could avoid calling the Memorial Office or the High School Athletic Office, we will communicate to your child through Final Forms and team emails that the event is postponed/cancelled or even moved.

For all current athletes, your paperwork and current physical should be complete to continue practicing. This will be strictly enforced starting April 1, 2024!!! Reminder that Spring Photos are scheduled to April 3, 2024, at 3pm in the Old Gym.
