March 1<sup>st</sup>, 2021

This communication serves as a reminder that on Wednesday, March 3<sup>rd</sup> and Thursday, March 4<sup>th</sup>, Memorial Junior High (as well as all buildings in the district) will be running an asynchronous schedule. An asynchronous schedule means the following:

- For students who are in-person, they will not be reporting to the building on these days;
- Attendance will not be taken on either day. Students will not need to complete the weekly ARC Wednesday attendance from Ms. Quigley;
- Teachers will not be providing live instruction on either day;
- Teachers will be posting work/assignments for students to complete on Schoology. Please make sure that your child checks their Schoology page so that they are aware of what is posted from their teacher(s).

In-person and remote instruction is scheduled to resume on Friday, March 5<sup>th</sup>, 2021.

If you have any questions regarding the contents of this message, please do not hesitate to reach out.

Thanks.
