Dear Parents,

We have had some hiccups with Schoology and we thank you again for your patience, but what a great start to the 2021-2022 school year. We have been busy here at MJH. Students have been showing great responsibility with their Chromebooks. Students have been diving into our virtual curriculum with their content teachers. Students have also been enjoying many extra-curricular opportunities that we offer and have carried themselves with pride at Fall Sporting Events.

With the start of the school year now in full motion, I highly recommend that you monitor your child's Schoology and Progressbook online. In both, you can see grades, attendance, and notes from his/her instructors. We strongly believe that students need to be accountable for their grades and these tools allow our students (and families) to stay on top of their academics and continue to grow as young adults.

Please feel free to contact the office with any questions or if you need your access key to either program.

GO ARCS!

Sincerely,
Mr. Bryan
