Greetings Memorial parents and guardians-

It's hard to believe that we are at the end of the 21/22 school year! Before we know it will be June and students will be departing for summer vacation!

Throughout the month of April students completed their end of the year state AIR assessments in ELA, Math and 8<sup>th</sup> grade Science. Students worked extremely hard on their state tests and I look forward to seeing the results of their hard work! As we go into and finish through the month of May, students will be continuing to work on their iReady Learning Pathways as well as taking their last iReady Benchmark assessment. The data from this assessment will be used to guide and support student instructional needs when they return in the fall.

Spring sports also have been underway- although the majority of our contests have been rained out so far! For the contests that we have had, our students have seen many successes on the athletic fields. If you have the chance to do so in May, please come and see our students compete in their respective sports!

In closing, this past school year presented many unique challenges due to the pandemic. I am proud of the work and effort our students and staff put in during the 21/22 school year- both showed perseverance and determination as we migrated through the pandemic and finally starting to get back to some sense of normalcy.

I hope each of you has a restful and relaxing summer break! As always, if you have any questions, please do not hesitate to reach out.

Thanks for a great school year!

**Go Arcs!**  
Mr. Bryan

### **SPECIAL THANK YOU!!!!**

Sad news for us but happy news for Mrs. Cicero! We would like to make you aware that our dear Mrs. Sue Cicero is officially retiring at the end of this year from The South Euclid Lyndhurst Family. Memorial Junior High School would like to thank her personally, for her dedication of being the 8<sup>th</sup> grade Counselor for 26 years in our school system. We wish you the very best in your new journey in life. We will miss you dearly and Washington D.C. will never be the same without you!

## A.I.R. TESTING

The State A.I.R. Testing was completed by all our students in the month of April. Students were tested in ELA, Math and Science. We are so glad the students took their time on the test and very proud of all the hard work that they put forward. Thank you also to the parents for helping with transportation and getting your students in the building for testing days on time.

As a reward for all students who met the criteria and followed all the testing guidelines on May 6, they will get to enjoy a country themed dance during school and will win fun prizes for participating.

## CONGRATULATIONS TO OUR FINE ARTS PROGRAMS

Members of the 7th and 8th grade Orchestra class along with Ms. Baric participated in the District 7 OMEA Solo and Ensemble Event at Kenston High School on April 9<sup>th</sup>, 2022.

Charlie Dancy received an "excellent" rating for his performance on the violin. Rylee Horne received a "superior" rating for her performance on the violin. Salina Khadka received a "superior" rating for her performance on the violin. Mia Peppin received a "superior" rating for her performance on the cello. Autumn Watson received a "good" rating for her performance on the violin.

The students spent many hours during and after school practicing and preparing their solos for judges to listen to and rate. The event comes with some stress, but each student did their best and had fun participating. Huge shout out to you all, for a job well done. You represented Memorial beautifully!

## SPORT UPDATES

Student-Athletes must have five passing classes this quarter to participate in athletics at Brush or Memorial for Fall 2022. The final four weeks of the school year are crucial towards your quarter grade. Please reach out to your teachers and counselors for help in classes you may be struggling in. Information regarding fall sports at Brush and Memorial will be available soon on the Athletics website - <https://brushathletics.com/> Please contact Mr. JC Commander at ([commander@sel.k12.oh.us](mailto:commander@sel.k12.oh.us)) with any questions regarding academic eligibility or fall sports. In addition, if you need to schedule a visit for an updated sports physical for Arc QuickMed Clinic, please call 216-691-7084.
