Dear Parents,

Memorial Junior High continues to make strides during the month of October. Our staff is working diligently to develop hands on technology lessons to improve student understanding and achievement. It is crucial that our students become familiar with technology based learning and gain the tools needed to succeed on computer based assessments.

The first quarter ended on October 18, 2021. Parents and Students should review their 1st quarter progress in "Schoology", celebrate their achievements, and plan for improvement. Accountability is key to student success, and we are here to help in any way possible.

If you have any questions or concerns, please call or stop by the office.

Go Arcs!

Mr. Bryan

STUDENT COUNCIL

Shout out to the MJH Student Council who is off to an amazing start for the 2021 school year. The group seeks to provide students an inclusive and supportive environment where they can have fun, build friendships, and create wonderful memories while making a positive difference in their school and community. They already held an amazing car wash fundraiser at the end of September. Those donated funds are going to help support a variety of activities and initiatives planned by the students for the 2021 school year. During the month of October, MJH Student Council sponsored a door decoration contest featuring a theme of "Boo to Drugs" in observance of National Substance Abuse Prevention Month. The winning class was Room 208 - Mrs. Schnear and they got to enjoy a pizza party with their Intervention/Enrichment teacher and classmates. The rest of the students' school who also participated received candy from the SC, so no one was left out! Members in the SC also celebrated and carved pumpkins for the front of the school. A fun treat was the pumpkin seeds that Mrs. Heitman from SEL Transportation cooked up for them to all try. Thank you! The Members have also expressed a desire to paint the bathroom stalls within the upcoming months with inspiring words to give peers positive daily reminders. In addition to supporting school dances, bake sales, spirit days, movie nights, field days, and other community events. We can't wait to see what else they come up with.

SPORT UPDATES

Wrestling season is right around the corner at Memorial Junior High! We will take all levels of wrestlers. It's a great sport to stay in shape while building strength and building character. Simply bring shoes and shorts to start. Remember, you need a physical on file and final forms completed. The team will compete in dual/tri meets with schools in the Western Reserve Conference and the WRC Tournament at the end of the season. Wrestling is a no-cut sport at Memorial, and we have 14 weight classes (from 80-245 lbs.). Contact Coach Jackson with any questions at jacksonj@sel.k12.oh.us or stop by room 101.

Four reasons to wrestle...

1. Wrestling is a great way to build confidence and self-defense skills
2. Wrestling does not favor any particular race, gender, culture, size, or stature
3. Wrestling is a sport of control – not violence
4. Proper weight management develops healthy eating habits that benefit the individual throughout life
