

Quarterly Newsletter

Our first month of school is coming to an end. The children are settling in to their routines and becoming very comfortable in the classroom. Everyone is fostering relationships and working together as we create a classroom community and continue to talk about friendship.

Autumn is upon us and we have so many exciting adventures planned for the fall. September 18th the Children's Museum of Cleveland is coming to the SEL preschool to conduct an in-house field trip for our young learners. We are sure the students will be excited and have a great experience! We thank the Legacy Village Community Fund for sponsoring this event.

Fall is a great time of transformation in the environment. We will look closely at the changing of leaves as this starts to happen. The excitement of seasonal harvest will come in to play this month as we read stories and complete projects about pumpkins! We will be having a fall Harvest Party on Thursday, October 31, 2019. Please look for more information coming home from classroom teachers regarding specific times and contributions for this event.

I want to thank all families for their cooperation and patience as the students settle in to school routine and expectations. Everyone is doing great! Parent teacher conferences will take place the second week of October, 24, 25 and 30th. Teachers will be reaching out to begin setting up specific times to review student progress.

Should you have any questions, please don't hesitate to contact the classroom teachers directly or me at 216.691.2200.

Thanks,

Lee Fuller

Early Learning Coordinator
