

Dr. Linda N. Reid
Superintendent of Schools

A Message from the Superintendent – Update 1/5/2021

Dear SEL Families,

I hope this message finds you and your family well after an enjoyable and safe holiday season. This is a reminder that all students will remain in remote learning through Friday, January 8th. Those students whose families have selected the school-based option for the first semester will resume in person instruction on Monday, January 11 and maintain that schedule through the first semester, which ends on Thursday, January 28. Students in the remote learning option for the first semester will maintain their current schedule.

Also, please remember your third quarter learning declarations are due on Wednesday, January 6. A declaration must be completed for each child in your family. It is important that declarations are completed by this deadline so that we can appropriately plan for the instructional needs of our students while balancing health and safety measures of our students, staff, and families. The third quarter of school begins on Monday, February 1.

Sincerely,
Dr. Linda N. Reid
Superintendent
