Greetings, Sunview Families! Happy Sunday!

Please read the newsletter to stay abreast of all the great things happening at Sunview and in South Euclid Lyndhurst Schools!

### **SPRING CONFERENCES**

Traditionally, spring parent-teacher conferences in SEL have been arranged at the teachers' discretion. We will keep this procedure and reserve these set of conferences to focus on students who are presenting academic concerns at this time. If this is the case regarding your child, please know that we would like to collaborate with you in order to best support your child's needs for the remainder of the school year. Please check your email this week to see if your child's teacher has sent you a sign up link to schedule a conference on one of the following dates:

**March 11 from 5:30PM - 8:30PM**

**March 12 from 8:30AM - 3:30PM**

**March 18 from 5:30 - 8:30PM**

### **STAR LATE WINTER TESTING**

STAR benchmarking in Reading and Math will occur within the next 2 weeks. Teachers will designate which day and time students will be assessed. Kindergarteners will take the Early Literacy only, while grades 1-3 will take the reading and math sections. For our virtual learning families, as previously requested, please allow your child to take the STAR independently. (Answers and hints are a hindrance to your child's progress.) Not only do the STAR tests demonstrate achievement, but more importantly, they exhibit your child's growth and acquisition of learned skills. We need an accurate picture of what each child can do on their own. Remember, this is not for a grade; rather, the results are used to further differentiate instruction. What you can do is to remind your child to take his/her time, read and/or listen carefully, and give his/her best effort! Thank you for your cooperation and support!

**SOCIAL EMOTIONAL SESSIONS ON WEDNESDAYS**

Our Student Services Team is offering social-emotional learning fun on Wednesday afternoons. The goal is to allow students to socialize, laugh, make friends, and learn self-regulation techniques. To join the “Meet” sessions, your child must use the designated meeting code. Here are the steps: Go to the 9 dot/array at the top right of the google page; find and click the “Meet” icon; click the button that says either “Enter a code/nickname” or “Join a meeting”. Once the code is entered, the “Meet” screen should appear. See the chart below for the codes.

GRADE LEVELS	TIME	SESSION NAME	MEETING CODE
K-1	12:30	Fun with Shubert & Sophie (puppets)	K1w
2-3	12:30	Making & Keeping Friends	23w
K-3 (all welcome)	1:30	Yoga with Mr. Jackson	K3w

**BOOSTERTHON FUN**

In 2 days, we will officially kick off our Sunview DanceFit “**FUN-Raiser**”, and our students and staff are so excited! This year our goal is to raise \$5000 in hopes to contribute towards an updated playground in the future. On Friday, March 5th, the entire school will culminate with a virtual DanceFit Party!
