

**Dr. Linda N. Reid**  
Superintendent of Schools

**Mrs. Arika Taylor**  
Principal

February 2, 2021

We are halfway through the school year, and the 3rd quarter started on Monday, February 1, 2021. I am pleased to welcome approximately 30 students to in-person learning, and we are happy to continue offering virtual instruction to those who opted for this. Thank you again, parents, for your support and partnership in your child's education. As one of our core beliefs state, "Education is the responsibility of the entire school community!" My gratitude to everyone for doing their part during this time.

### **ARCS Wednesday**

Starting tomorrow, Wednesday, February 3rd, our K-3 students will engage in virtual learning with their teacher from 8:30-11AM. **No more ARC Wednesday attendance forms.** The teachers will take attendance. To date, the teacher should have communicated or confirmed the Meet link where your child should join. Also, due to our new ARC Wednesday structure, please ensure your child is completing any assignment given by his/her teacher on Wednesday afternoon. Also, don't forget to charge up the chromebook tonight!

### **Valentine's Day**

Valentine's Day has always been a fun day! We are still planning to celebrate Valentine's Day on Feb. 12, but there will be no card exchanges this year, due to safety precautions. Teachers will engage students in activities, but please do not send cards or candy to school.

### **Weather**

If school is closed due to inclement weather, you will receive an SEL Phone Call, and it will be written on the SEL Homepage. **The district will no longer post our school closings on the local news stations,** to avoid confusion. Please be advised, due to our virtual learning platform, on days of inclement weather, instruction will still continue. Students will be expected to login to their class Meet at 8:30AM. If your child's teacher experiences technological difficulties and cannot start instruction, please stand by and check your personal email or your child's Schoology page for directions.

### **Marco Pizza Night, Wednesday, February 3, 2021 (11AM-11PM)**

Help support Sunview PTA by taking advantage of these great deals from Marco's Pizza! Curbside pick-up available!
