SECRETARY: Mrs. Kijinski

Office: 216-691-2225

NO SCHOOL ON MONDAY, SEPTEMBER 28TH DUE TO YOM KIPPUR.

ARCS Wednesdays- This past week's ARCS Wednesday link was inaccessible due to my forgetting to unlock the permissions. My apologies! I have now fixed the form, and it will be ready to go out via email on **Wednesday, Sept. 30th at 8AM**. This quick parent questionnaire will just ask you to click the date, type your child's name, click on the name of the teacher, and check the box next to the type of activity your child will complete for the day. Completing this form will count towards your child's attendance and participation on Wednesdays.

Please continue to call the office during the school week at 216-691-2225 if your child will not be able to attend their online classes due to illness, tech issues, appointments, etc.

STAR Testing- Most students have taken the STAR Early Literacy or the STAR Reading, to date. Thank you, parents, for your cooperation and compliance during the administration. Taking the STAR test without any adult assistance maintains the fidelity and accuracy of the data. STAR Math will be proctored during the window of Oct. 1-13. Stay tuned for more specific dates.
