**Congrats**- Happy October! We've almost accomplished one month of remote learning. Though we've had our challenges, I am pleased with the progress that students and teachers have made thus far! Thank you, parents, for your patience, support, and involvement. Our Sunview teachers have been invested, and they've worked hard to make this experience as smooth and engaging as possible. We look forward to continued improvement and student achievement.

**ARCS Wednesdays**- Thank you so much for your cooperation with our ARCS Wednesday Attendance Form. It was successful this week! Please note that the same survey will be sent to you for completion at **8AM every Wednesday** for the remainder of remote learning.

**Please continue to call the office during the school week at 216-691-2225 if your child will not be able to attend their online classes due to illness, tech issues, appointments, etc.**

**Kindergarten Readiness Assessment**- I am proud of all of my kindergarteners who took the KRA test in our gym this week. The **class of 2033** has already demonstrated their aptitude, personalities, cooperation, and courage. Hats off to the kindergarten teachers, the school counselors, the district social workers, the secretary and our safety and security personnel for their planning and support!
